Your safety and wellbeing remains of paramount importance and we will continue to review and refine our plans in accordance with UK Government Guidance going forward.

Insurance Times Webinars

Our popular, sponsored webinar programme is continuing across 2021. Information on upcoming dates and themes will be published on the [events page](#) of the Insurance Times website as and when confirmed.

Insurance2025 – Tuesday 20th - Thursday 22nd April

Seizing the opportunity to do something different, Insurance2025 has been re-configured for 2021. Whilst digital transformation has driven the content and debate of this event in previous years, there are many challenges that brokers need to manage and digital transformation is only part of the story. FCA rulings and new regulation; transitioning to risk advisor; understanding the changing 'wants' and 'needs' of the post pandemic customer; and managing a hybrid workforce are just a few key topics we'll explore.

The event will be delivered online, over three days, with a tailored audience focus each day – **Personal Lines (Tuesday 20th)**, **Commercial Lines (Wednesday 21st)** and the **Industry as a whole (Thursday 22nd)**.

We are now open for registration and further information, including the agenda and speaker line up can be found [on the website](#). Attendance is free of charge for brokers, insurers and MGAs and special rates are available for service partners.
